**WE SAY OCCUPY!**

**HOMELESS  
PEOPLE  
are TAKING OVER.**

**Please rally in solidarity with homeless folks who are fighting back against property warehousing. East Harlem is full of vacant buildings and lots, which are owned by private landlords as well as the city, at the same time as rents—and homelessness—continue to climb. In fact, the borough of Manhattan contains enough vacant properties to house every homeless family in the city! EAST HARLEM SAYS ENOUGH.**

**Thursday, March 19. 12 NOON  
Meet us at 116<sup>th</sup> and Lexington
